Grounding Kit, Pre-formed tinned Copper Strap

Grounding Kit Pre-formed tinned Copper Strap, for PW-S-10S4-X

Feature / Benefits

- This earthing kit with pre-formed tinned copper alloy strap facilitates installation with a pre-formed copper alloy strap that eliminates the need for a coiling tool.
- This kit has been verified by independent labs to protect coax from the damaging effects of lightning current in excess of 200kA.
